Experience

Sales Assistant / The Strand Fish & Chips, Worthing

- Operated checkout and served customers at a high-traffic location.
- Undertook the responsibility of opening shop and independently handled orders.
- Trained 2 new part-time team members, along with updating them on company policies.

Volunteer / Trinity Church, Littlehampton

- Setup the PA system and managed audio frequencies.
- Handled the AV production.

Education

BSc Computer Science with Artificial Intelligence / University of Brighton

Awarded all firsts throughout year one and remain on track to achieve a first overall in year two. Received a 90% mark in the Artificial Intelligence module during semester one in the 2nd year, further impressing the lecturer during semester two with a comprehensive pathfinding program.
